

“Seeking God’s Will Through the Decades”

- Student 1** So, music has been around forever, right?
Student 2 Yes, but *recordings* of music have only been around since 1860. Here's what the first recording ever sounded like: *Play recording*
Student 1 That sounds terrible.
Student 2 I bet we can play that song more clearly!
Student 1 Let's try!

1860 “*Au Claire de le Lune*” (Recorder 3/4 graders)

- Student 3** That was fun, but I'm more of a sports guy.
Student 4 Did you know that one of the most popular sports songs has verses that no one knows?
Student 3 Nope!
Student 4 It tells the story of a girl that loved baseball more than anything!
Student 3 No way!
Student 4 Let's sing it!

1908 “*Take Me Out to the Ball Game*”

- Student 5** Sports are great, but I think I want to be an artist when I grow up.
Student 6 What’s your favorite thing to draw?
Student 5 I really love rainbows!
Student 6 I know a really pretty song about rainbows.
Student 5 I can’t wait to hear it!

1930s “*Somewhere Over the Rainbow*”

- Student 7** That song was too slow! I feel like I'm running out of time!! (*Nervously*)
Student 8 For what?
Student 7 Deciding what I want to be when I grow up!
Student 8 You have plenty of time for that. I know a really fun song about time to help you relax!

1950s “*Rock Around the Clock*”

- Student 9** I'm not worried about time..I'm just going to cruise through life... (*Like a surfer dude*)
Student 10 You don't have any plans?
Student 9 Maybe catch some waves..
Student 10 Sounds fun!

1960s “*Surfin USA*”

Student 11 All this talk about who we are and what we want to be makes me kind of sad.
Student 12 Why is that?
Student 11 I feel like I'm just a small person in this big, big world.
Student 12 Everyone is special. Just be yourself!

1980s

"True Colors"

Student 13 So how do we know what we should be when we grow up?
Student 14 I think we should ask God for help.
Student 13 That's a good idea!

1990s

"Place in This World"

Student 15 God will help us when we ask, won't he?
Student 16 Yes, and it's also important to remember that Jesus gave us all a special job!
Student 15 What's that?
Student 16 To tell the world about Him!
Student 15 Let's do it!

"Go Tell It On the Mountain"

I will send everyone a link to my Google Drive where you can view videos with lyrics! Can't wait to sing with your kids this Fall 2017!!
