

TRI-COUNTY WRITING—LEVEL 1

FALL SEMESTER 2018

Teacher: Karen Williams

Level 1 Writing Class is an introduction to the IEW (Institute for Excellence in Writing) curriculum. My goal will be to teach Units I, II, and III from the book “All Things Fun and Fascinating.” This will prepare them for Writing Level 2.

I will be teaching IEW the way Andrew Pudewa recommends. We will have many opportunities for in-class practice. Homework may be given every Co-op. Assistance at home may be needed as your student learns this process. Please let me know if the homework is too much or not enough for your student.

Students may complete the homework in the “All Things Fun and Fascinating” book or on a separate sheet of paper. Please instruct your student to leave their homework on the table in the foyer when they arrive. I will look over their homework and hand it back in class.

**BRING TO EVERY CLASS:**

1. Folder with name on the front
2. “All Things Fun and Fascinating” book with name on the front
3. Loose leaf paper or notebook
4. Pens and highlighter

This should be a fun class where the kids can use their creativity while learning how to write in a systematic way. Please call or text me with any questions.
